

On November 10, 2009, District 39 alumnus and local professionals presented former Wilmette resident Charlie Trotter with the District 39 Educational Foundation's second annual Distinguished Citizen Award. Dr Chirag Patel & Dr Neenoo Khosla attended the charity fund raising event, at the Michigan Shores Club, and enjoyed the chance to meet Chef Trotter and hear about his start in the restaurant business right here in Wilmette. Chef Trotter also spoke about the need to encourage students to find their dreams and pursue them. All proceeds benefited the District 39 Educational Foundation.
