

# Saks Fifth Avenue

Dr Chirag Patel & Dr Neenoo Khosla attended the 2009 Key to the Cure Charity event at the Highland Park Saks Fifth Avenue. This year they also donated a **Hansa Medical Groupe** membership through the silent auction, with all proceeds benefiting local and national women's cancer centers. The physicians were noted in the December 2009 issue of *Sheridan Road Magazine*.

Saks Fifth Avenue's KEY TO THE CURE (KTTC) initiative is an annual nationwide, charity shopping weekend during which a percentage of sales is donated to local and national and women's cancer centers.

 The Auxiliary of NorthShore at Highland Park Hospital

More than 500 guests kicked off a philanthropic shopping weekend with a cocktail reception held at Saks Fifth Avenue in Highland Park, all in the name of the major retailer's national Key to the Cure campaign, a program dedicated to finding new detection methods, treatments, and, hopefully, a cure for women's cancers.
